

BED REDEFINER

Flower bed and mulch bed edges erode over time and need to be redefined to maintain a fresh, welcome appearance. The BRD-2620 cuts a crisp, beveled groove along the turf edge, leaving a professional, manicured finish. The replaceable six-finger cutting claw is manufactured from high-grade steel with specially designed carbide tips on each cutter for improved durability and performance that does the job 7x faster than a shovel!

BRD-2620 BED REDEFINER

The professional choice for redefining bed edges that erode over time.

- Replaceable, patented, 6-finger steel blade with brazed carbide tips for durability and performance
- Tool-less access, two-stage air filtration system dramatically increases ease of maintenance
- Cast aluminum debris shield combined with high-impact nylon shield for reduced material kickback
- 59 in. straight shaft with flex cable drive for outstanding reach

Engine (cc)	25.4
Weight (lbs.)	17.7
Blade Length (in.)	7.75
Fuel Capacity (fl. oz.)	20.6

BED REDEFINER ACCESSORIES

REPLACEMENT CLAW

Exclusively for use with the BRD-2620 and the PAS Bed Redefiner attachment.
